

Dear Parents,

TRIP TO LONDON

Understandably, there is much concern about our trip to London and, as a parent myself, I do appreciate your worries. At the moment our intention is to continue with the trip. This will be kept under review depending on any other events that may occur.

As always when we take children out of school, safety is a priority. We undertake risk assessment and always take steps to mitigate against risk.

We will not be wandering around London. We will get off the coach at Buckingham Palace and go straight in. We will, if the weather is fine, go to St James's Park for a picnic lunch. We will then return to school on the coach.

Mrs Matwiejew will remain in the office during that day and will email parents when we arrive at Buckingham Palace and again when we leave London.

I am more than happy to discuss concerns with parents

Yours Sincerely
