

Dear Parent/Carer

We are very pleased to announce that we are introducing a fantastic new way to communicate and share information with you.

MyEd is the **free** parent app that helps you to stay in touch with what is going on at school. The app keeps you up to date with important dates in the school calendar, enables you to inform us if your child is ill and much more. We can also notify you quickly regarding emergency school closures.

Step 1 – Go to either the Apple App Store or Google Play

Step 2 – Search for My Ed

Step 3 – Download the **FREE** app (or scan the QR code on the attached card)

Once you have installed and opened **MyEd**, search for **Sidney Stringer Primary** and follow the simple instructions to identify yourself. We will then be able to send you messages directly to the **MyEd** app and there is no charge for the messages you send to us.

For more information, please follow the YouTube link below.
