

March 2017

Dear Parents

STEEL PAN TASTER SESSIONS

We are excited to announce that in September we will be offering Steel Pan lessons. To enable the children to experience what these lessons will be like we are offering each Year one child the opportunity to have two, half hour taster sessions free of charge.

Sessions will run on Mondays after school, commencing on 24th April 2017 and children will be taught in groups of six. There will be two sessions per week, one running between 3.15pm and 3.45pm and a second running from 3.45pm to 4.15pm.

If you are interested in your child participating in these free taster sessions, please complete the slip below and hand it into your child's teacher. Following this, you will be issued a letter confirming dates and session times for your child.

Kind regards.

Mrs E McCann
Head Teacher

I would like my child participate in steel pan taster sessions.
