

September 2017

Dear Parents

TAPESTRY

This year we are going to be running parent workshops. This will involve parents coming into school for a short session to find out about the way that your child is taught certain skills, what content is covered and how you can help your child at home. These will be for a variety of subject areas throughout the year, and will be extremely beneficial to you and your child.

Our first workshop will cover the teaching of Phonics. This will be helpful for all parents in Reception. The workshop will be on Tuesday 3rd October at 9.00am in the school hall.

It will be followed by a short session for Reception parents about how to use the school's online Learning Journal tool, Tapestry. Tapestry enables parents to use a smart phone or internet browser to see photographs of what your child has been doing at school. Tapestry was used extremely successfully in school last year and proved to be very popular with parents.

We look forward to seeing you on the 3rd October.

Yours sincerely,

Miss Dinza and Miss Lightfoot
