### Summary of PSPG 2017-2018

At Sidney Stringer Primary, we believe P.E is an important part of the curriculum and that children understand the importance of living a fit and healthy lifestyle. Therefore, we have focused on spending the Sports Premium Funding in four areas; **the P.E curriculum, competitive sporting, extra-curricular activities and living a healthy lifestyle**. We believe investing in these four areas will help us provide our mission.

Our objectives in using the PSPG for the academic year 2017-2018 are as follow:

- Developing staff expertise in teaching P.E.
- Buying high quality resources to support the teaching of P.E and to meet the needs of the national curriculum.
- Developing children's skills and children to experience team spirit through sporting competitions.
- Increasing participation in extra-curricular clubs.
- Providing a range of opportunities for enrichment activities after school and at lunch time.

## Nature of Support Academic Year 2017 – 2018

Project/Item	Cost	Objective	Impact
Continued professional development for teachers to improve PE teaching provided by Sidney Stringer Academy. .	£1500	Staff to learn from PE staff and their approach to PE lessons and how lessons are structured.	CPD is provided for staff which has increased both confidence and level of skill. The majority of P.E lessons taught across the school are good and there are elements of outstanding practice. Children's skill levels has increased.
Purchase of curriculum (real PE) and training for all PE staff in implantation of KS1 primary curriculum.	£2500	To ensure all secondary school staff are full trained and able to deliver high quality primary PE lessons.	Lead secondary PE staff who are trained in all aspects of delivery of Primary PE. Exciting and innovative curriculum which has inbuilt assessment and tracking to monitor pupils progress and ensure they are continually building on and improving their skills
Purchase new sports equipment for use during PE lessons which meets the needs of the P.E entire curriculum.	£3000	To provide equipment to meet the needs of the entire KS1 curriculum.	Children have PE equipment which meets needs of KS1 curriculum.
Release time for coach and PE leader to attend events and competitions	£400	To enable team spirit and experience of competition.  To increase parental involvement in providing their child with a healthy lifestyle.	Successful sports day event planned and well executed. Children starting to become involved in competitive sports.
Contribution towards after school clubs	£1200	To provide pupils with extra outdoor sports experiences in a range of sports. Enrichment and training for more able pupils to prepare for competitions.	High attendance in after school clubs. Almost every child in the school has had experience of attending an after school club. More able are keen and thrive in a smaller environment to showcase and improve their skills.
Lunchtime and Playtime sports leaders. Lunchtime play equipment and playground markings	£8500	To provide increase level of activity outside of P.E lessons as part of creating a healthy lifestyle.	Behaviour on the playground is good and children are keen to participate in games and are learning to socialise with one another.
To gain Bronze 'Food for Life' Award	£100	To work collaboratively to create a healthy lifestyle including each class taking responsibility for growing food in our school garden.	Children have an improved attitude to healthy lifestyles.
