Write a book review on your favourite book. A book review lets other people know what you think about it!

You should add a section on which characters are in it and describe them, then add the storyline. Add the Author and Illustrator and most importantly your star rating out of five!

Keep Practising

If you have lost your login please ask for another.

If you have one try to be the best band member you can be and get all of the coins!

You can play on your own, with friends and others online, no personal details are on the website and you cannot chat to anyone so it is very safe!

- 3 X 5 = 15
- 7 X 5 = 35
- 10 X 5 = 50
- 1 X 5 = 5

Don't forget to practice your spellings for Friday!

This year we have four times table facts to learn too. It will all be in one test on Friday.
